“If you are thinking about expanding your business, let Goodman take care of your project.”

warehouse+space

We own, develop and manage logistics property across continental Europe. Whether you want to lease a warehouse or develop a built-to-suit distribution centre we can deliver a solution that is tailored to your business needs.

We invest for the long term: when we develop a warehouse it is acquired by our Goodman managed partnership, Goodman European Partnership (GEP), which has a 97% occupancy rate, and Goodman continues as the asset and property manager.

We have over 390,000 sqm of strategically located warehouse space available for immediate lease, and over 1,880,000 sqm of land available for immediate development in strategic locations across continental Europe; along with the expertise to support your business growth.

Trust Goodman to take care of your logistics space while you expand your business.

Philippe Van der Beken
Managing Director Continental Europe

about+us

Goodman is an integrated property group that owns, develops and manages logistics and business space globally. Superior customer service is the foundation on which all Goodman's operations are built.

Own

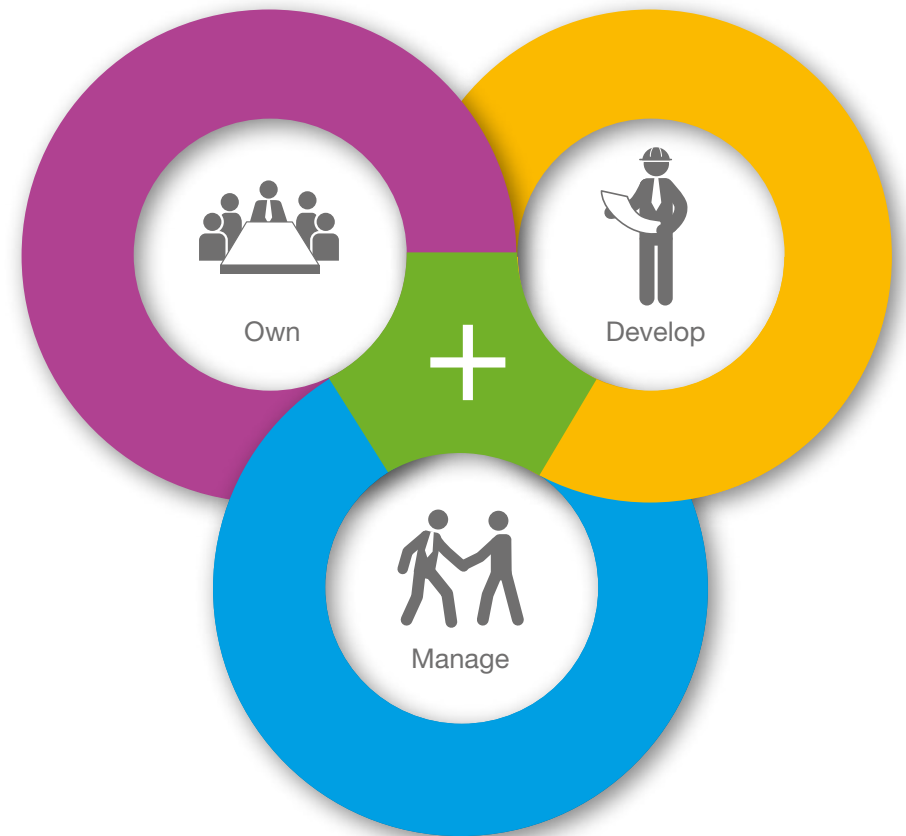

We invest in our properties for the long-term, fostering strong relationships with customers and providing long-term sustainable returns for the investors in our funds.

Develop

Our properties are purpose-built to meet the precise needs of our customers. We manage the entire development process, always adhering to strict quality requirements and completing construction on time and within budget.

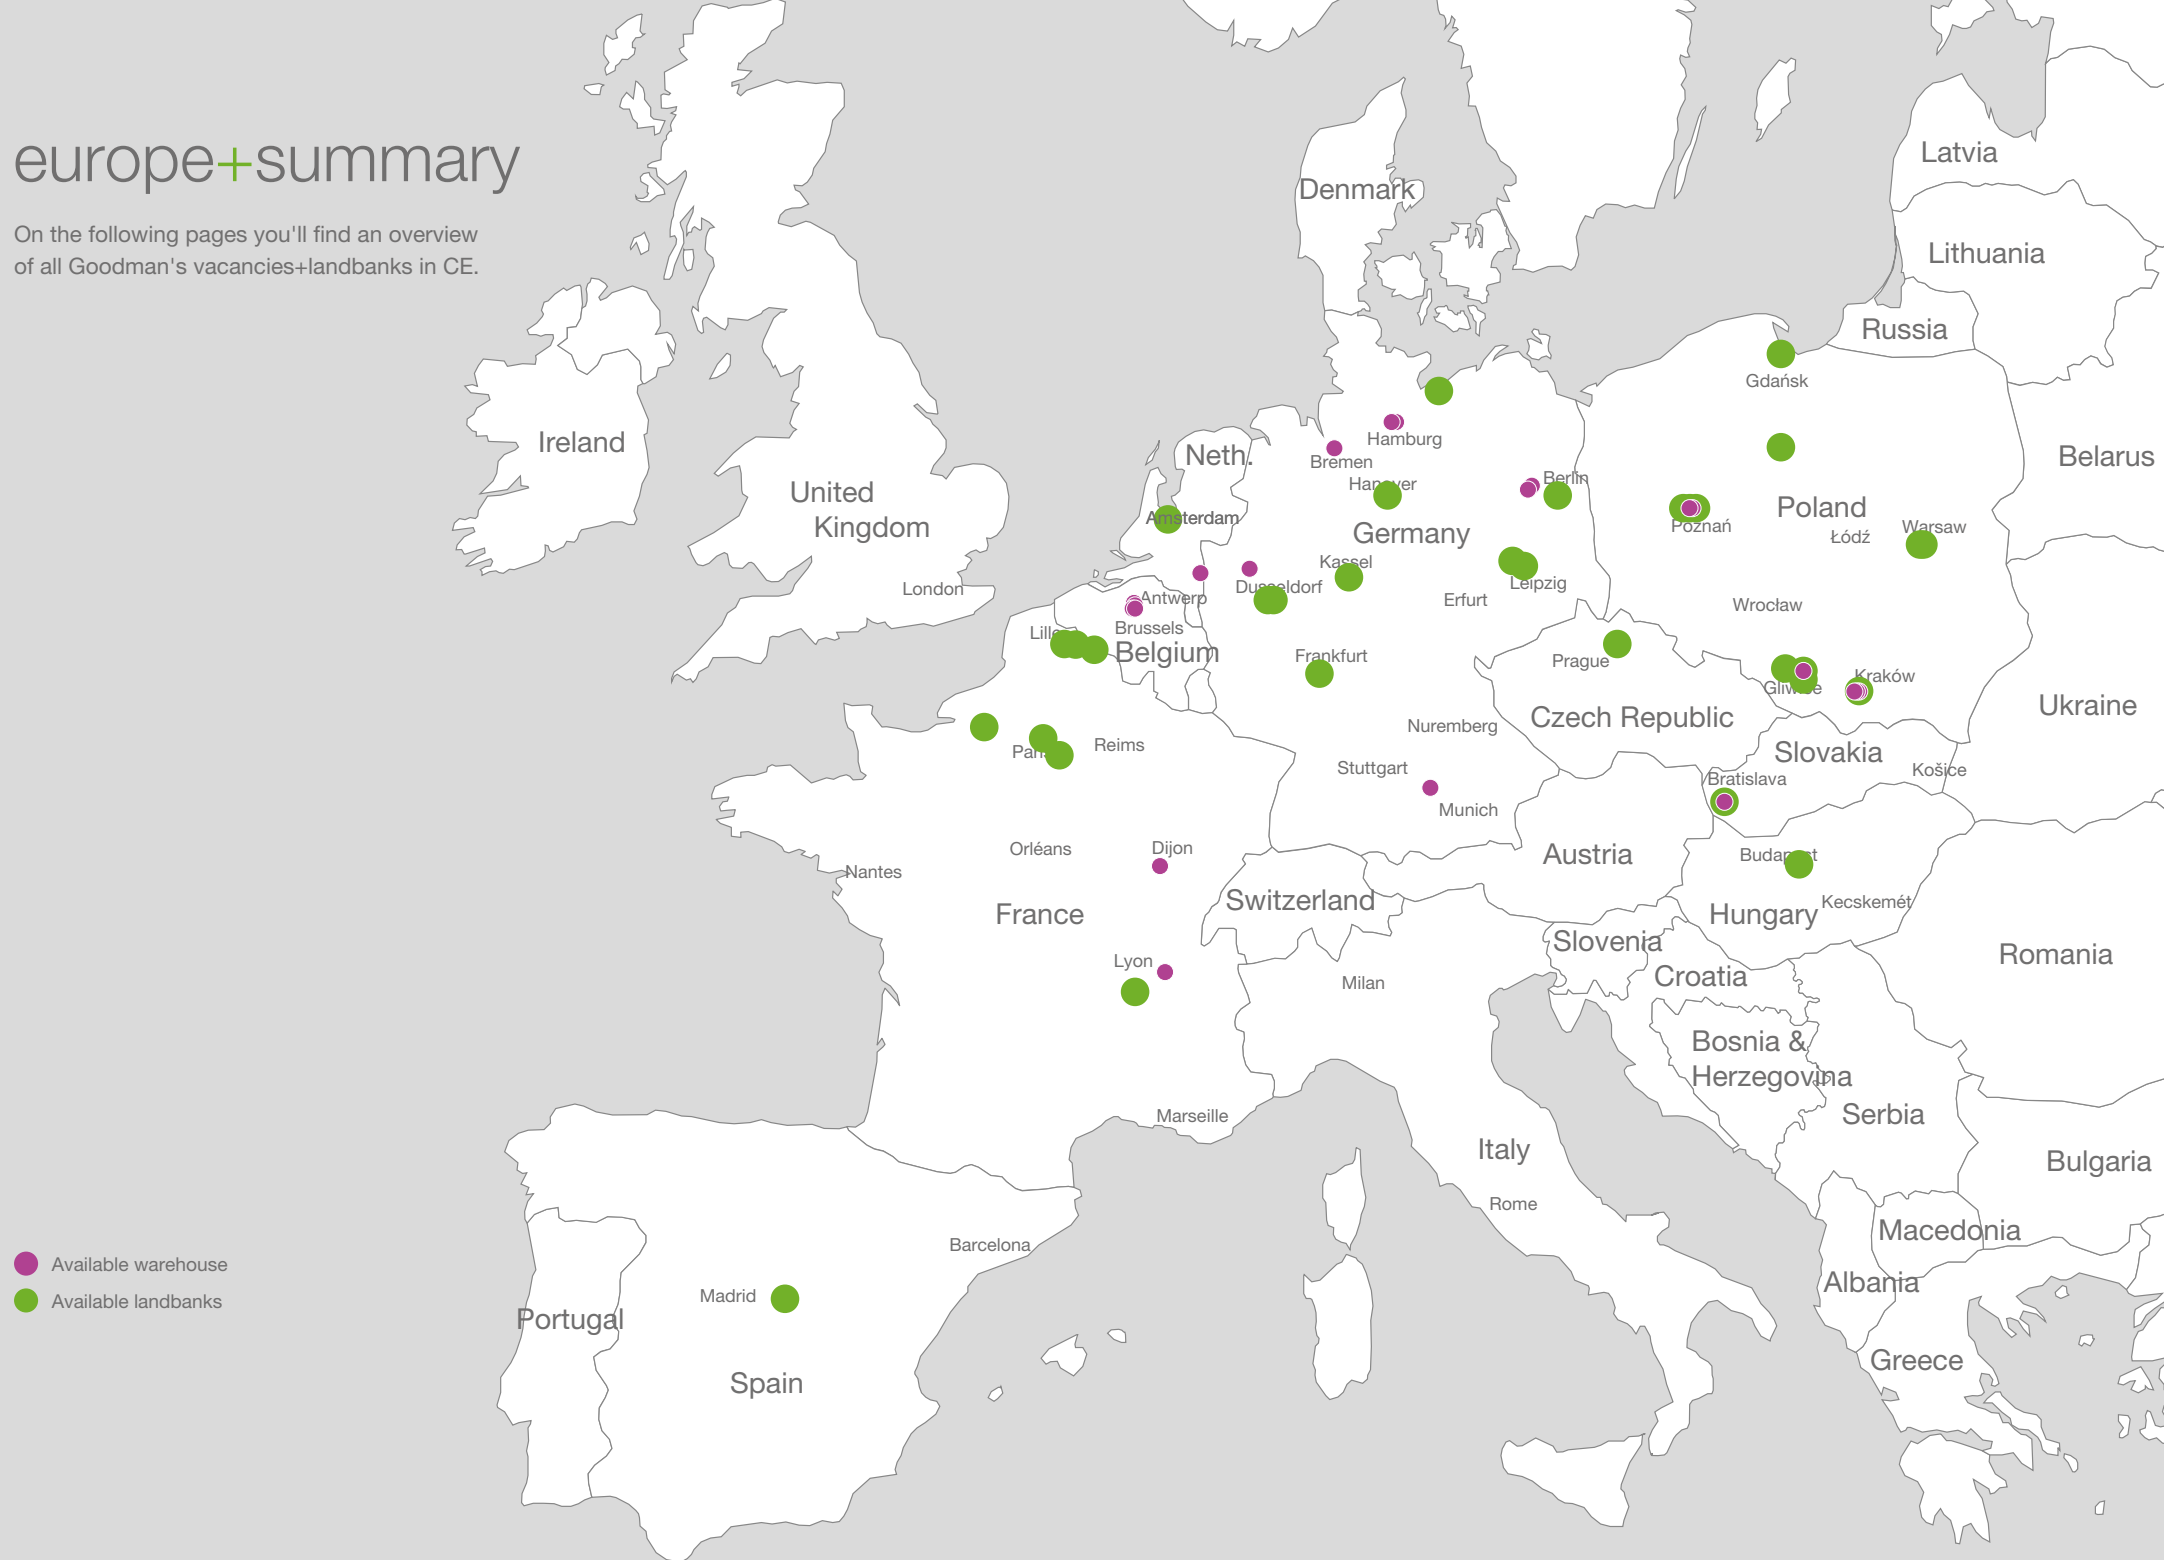

Manage

Our in-house property services teams provide extensive technical, operational and financial expertise. They take care of all our properties to ensure they remain in the best possible condition. They are always on hand to provide advice and excellent service throughout the duration of a lease. In turn, investors are assured that our assets continue to perform well and improve in value.
