## Report on the audit of the annual accounts

---

### Our opinion

In our opinion, the accompanying annual accounts give a true and fair view of the financial position of GELF Bond Issuer I S.A. (the “Company”) as at 31 December 2022, and of the results of its operations for the year then ended in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts.

#### *What we have audited*

The Company’s annual accounts comprise:

- the balance sheet as at 31 December 2022;
  - the profit and loss account for the year then ended; and
  - the notes to the annual accounts, which include a summary of significant accounting policies.
- 

### Basis for opinion

We conducted our audit in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the “Commission de Surveillance du Secteur Financier” (CSSF). Our responsibilities under the EU Regulation No 537/2014, the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the “Responsibilities of the “Réviseur d’entreprises agréé” for the audit of the annual accounts” section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Company in accordance with the International Code of Ethics for Professional Accountants, including International Independence Standards, issued by the International Ethics Standards Board for Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the annual accounts. We have fulfilled our other ethical responsibilities under those ethical requirements.

To the best of our knowledge and belief, we declare that we have not provided non-audit services that are prohibited under Article 5(1) of the EU Regulation No 537/2014.

The non-audit services that we have provided to the Company and its controlled undertakings, if applicable, for the year then ended, are disclosed in the directors' report.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the annual accounts of the current period. These matters were addressed in the context of our audit of the annual accounts as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

<b>Key audit matter</b>	<b>How our audit addressed the key audit matter</b>
<p><i>Recoverability of loans to affiliated undertakings</i></p> <p>Loans to affiliated undertakings are the most significant balance in the assets of the Company. Loans to affiliated undertakings are made up of a number of loans financing entities of Goodman European Logistics Fund ("GEP") and its subsidiaries (the "Partnership"). Management is required to perform an annual review of the recoverability of the loans to affiliated undertakings and consider if the balance is subject to value adjustments where its recoverability is compromised. These value adjustments are not continued if the reasons cease to apply. The recoverability review is based on the related party's ability to repay the outstanding balances and therefore involves a number of judgments to be made.</p>	<p>In assessing the recoverability of the loans to affiliated undertakings, we discussed with Management the financial situation of the Partnership acting as guarantor of the listed non-convertible notes issued by the Company. To assess the recoverability of the loans, Management ensures that the Partnership has sufficient resources to reimburse its debts towards the Company. This assessment is primarily based on the net asset value ("NAV") of the Partnership, noting that the fair value of the investment properties is the main component of the NAV.</p> <ul style="list-style-type: none"><li>• We challenged Management's impairment assessment by reconciling the NAV used in the calculation to the audited one as at 31 December 2022 to evaluate the Partnership's ability to pay the short-term interest from the loans. We performed the following procedures to test the fair value of the investment properties owned by the Partnership;</li><li>• We assessed the Independent Valuers' qualifications and expertise, and read the terms of engagement with the Partnership to determine whether there were any matters that might have affected their objectivity or may have imposed scope limitations upon their work;</li><li>• We read the valuation reports covering all the properties. We confirmed that the valuation approach applied to the properties are in line with market practice and suitable for use in determining the fair value and consistent with prior years;</li><li>• We carried out procedures, on a sample basis, to test whether property-specific standing data supplied to the Valuers by Management reflected the underlying property records held by the Partnership and which had been tested during our audit;</li></ul>

---

**Key audit matter****How our audit addressed the key audit matter**

- Our real estate experts examined valuation reports on a sample basis: our work focused on the largest properties in different cities in the portfolio, specific asset locations and those properties where the assumptions used and/or year-on-year fair value movements suggested a possible outlier versus prior year fair values;
- We benchmarked the yields and the estimated rental values used by the Valuers to market data as well as to recent transactions (where available). We also considered the reasonableness of other assumptions that are not so readily comparable such as vacancy costs, capital expenditures and maintenance costs.

**Other information**

The Board of Directors is responsible for the other information. The other information comprises the information stated in the annual report including the directors' report and the Corporate Governance Statement but does not include the annual accounts and our audit report thereon.

Our opinion on the annual accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the annual accounts, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the annual accounts or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

---

**Responsibilities of the Board of Directors for the annual accounts**

The Board of Directors is responsible for the preparation and fair presentation of the annual accounts in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the annual accounts, and for such internal control as the Board of Directors determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

---

**Responsibilities of the “Réviseur d’entreprises agréé” for the audit of the annual accounts**

The objectives of our audit are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual accounts.

As part of an audit in accordance with the EU Regulation No 537/2014, the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the annual accounts, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
- conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the annual accounts, including the disclosures, and whether the annual accounts represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate to them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the annual accounts of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter.

### **Report on other legal and regulatory requirements**

The directors' report is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

The accompanying Corporate Governance Statement is presented on pages 21 to 22 to these annual accounts. The information required by Article 68ter Paragraph (1) Letters c) and d) of the Law of 19 December 2002 on the commercial and companies register and on the accounting records and annual accounts of undertakings, as amended, is consistent with the annual accounts and has been prepared in accordance with applicable legal requirements.

We have been appointed as “Réviseur d’Entreprises Agréé” by the Board of Directors on 31 July 2018 and the duration of our uninterrupted engagement, including previous renewals and reappointments, is 8 years.

### ***Note 2 - Summary of significant accounting policies***

#### Basis of preparation

The annual accounts are prepared in accordance with the Luxembourg legal and regulatory requirements under the historical cost convention under the going concern basis of accounting.

Accounting policies and valuation rules are, besides the ones laid down by the law of December 19, 2002 ("Accounting Law"), as amended from time to time, determined and applied by the Board of Directors.

The preparation of the annual accounts requires the use of certain critical accounting estimates. It also requires the Board of Directors to exercise its judgement in the process of applying the accounting policies. Changes in assumptions may have a significant impact in the annual accounts for the period in which the assumptions changed. The Board of Directors believes that the underlying assumptions are appropriate and that the annual accounts therefore present the financial position and results fairly.

#### Formation expenses

The formation expenses are written off on a straight-line basis over a period up to 5 years in accordance with the Accounting Law.

#### Financial fixed assets

Loans to affiliated undertakings are valued at nominal value.

In the case of durable depreciation in value according to the opinion of the Board of Directors, value adjustments are made in respect of fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Foreign currency translation

The Company maintains its accounting records in EURO ("EUR") and its annual accounts are expressed in this currency.

Current assets and current liabilities expressed in other currencies are translated into EUR at the rate prevailing at the Balance Sheet date. Fixed assets are translated at historical exchange rates

Transactions in other currencies are translated into EUR at the exchange rates prevailing at transaction date (or at the average exchange rate prevailing in the month which the transaction took place).

Realised foreign exchange gains and losses and unrealised foreign exchange losses are reflected in the Profit and Loss account. Unrealised exchange gains are not accounted for.

Debtors

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is compromised. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

Provision for taxation

Provisions for taxation corresponding to the difference between the tax liability estimated by the Company and the advance payments for the financial years for which the tax return has not yet been filed are recorded under the caption "Other creditors - Tax authorities".

Debts

Debts are recorded at their reimbursement value. Where the amount repayable on account is greater than the amount received, the difference is shown as an asset and is written off over the period of the debt based on a linear method.

Creditors

Creditors are recorded at their nominal value.

Interest income and expense

Interest income and expense are recognised on an accrual basis.

## Appendix I: Unaudited Corporate governance

GELF Bond Issuer I S.A. is indirectly held by Goodman European Logistics Fund, FCP-FIS (GEP) and included in the consolidated accounts of GEP.

GEP (legal entity: Goodman European Logistics Fund, FCP-FIS) qualifies as a fonds commun de placement – fonds d'investissement spécialisé ("FCP" – "FIS"). As GEP is an FCP, it does not have legal personality. An FCP is managed by a management company (société de gestion) that has a legal personality and that is the statutory management body of the FCP. The management company acts in its own name, but has to indicate that it acts on behalf of the FCP. GELF Management (Lux) S.a r.l., the Alternative Investment Fund Manager ("AIFM"), a wholly owned direct subsidiary of Goodman Limited ("Goodman"), is the management company of GEP.

The AIFM is vested with the broadest powers to administer and manage GEP in accordance with the Management Regulations and Luxembourg law and regulations in the exclusive interest of the Unitholders.

The AIFM has the following responsibilities:

- + Managing GEP in the exclusive interest of Unitholders, in accordance with the terms of the Information Memorandum, the terms of the Management Regulations, Luxembourg law and other applicable administrative and regulatory requirements;
- + Implementing the Investment Strategy in line with the Objectives, Investment Restrictions and Investment Guidelines as set out in the Management Regulations and section 3 of the information memorandum; and
- + Appointing the Investment Advisor, the Property Manager, the Depositary, the Central Administration Agent, the Paying Agent, the Registrar and Transfer Agent and such other agents as appropriate.

GEP is currently the sole undertaking for collective investment managed by the management Company (AIFM).

Unitholders may elect to remove the AIFM by passing a resolution with a Simple Majority (the Units of Goodman being excluded for both the quorum and majority requirements) if a court of first instance passes a judgment that either the Investment Advisor is bankrupt or insolvent, and/or the AIFM and/or the Investment Advisor and/or their directors, officers or employees have been Fraudulent or have committed any Wilful Misconduct or have been Grossly Negligent in the performance of its or their duties under the Management Regulations or the Investment Advisory Agreement, as the case may be. Such removal will only be effective at the moment a successor management company takes over the functions of the AIFM and such successor management company has obtained the approval of (i) the CSSF and (ii) a Simple Majority of a General Meeting of Unitholders.

Unitholders may also elect to remove the AIFM by passing a resolution with a Special Majority (the Units of Goodman being excluded for both the quorum and majority requirements) in case of a change of control, being defined as a transaction where a 50% or more interest in the relevant company is acquired by another entity (the "Change of Control") resulting in a Review Event as defined below.

The Change of Control includes:

- + A change of control either at the level of Goodman Logistics (HK) Limited, Goodman Industrial Trust or Goodman Limited or in any body corporate, limited partnership, trust, corporation, legal arrangement or other person, established in the European Union or in another jurisdiction, owned, wholly or in part (including those held for 50% or less) in the holding structure between each of GLHK, GIT or GL and the AIFM, being a change of control at the Goodman Group level (Goodman Group or Goodman Limited, Goodman Industrial Trust and Goodman Logistics (HK) Limited, trading as Goodman Group, and where the context requires, their controlled entities - which for the purpose of clarity includes trusts); and/or

+ A direct or indirect change of control of the AIFM or any member of the Goodman Group providing significant resources in relation to the management of GEP, being a change of control at the AIFM's level.

If a Change of Control event was to occur at the Goodman Group level, the AIFM undertakes to procure that the new acquirer will be obliged to confirm to the Unitholders that its business strategy remains consistent with GEP's strategy at the time of acquisition and that the senior management team will be primarily unchanged or that the newly proposed senior management team includes the necessary skill set and experience to manage GEP. If the AIFM does not procure the delivery of such confirmation or the acquirer fails to deliver such confirmation, then a "Review Event" (as defined below) occurs. If a Change of Control event occurs at the Goodman Group level and an announcement of such Change of Control is made through the Australian Securities Exchange, the AIFM shall promptly provide Unitholders with written notice of such Change of Control.

If a Change of Control event occurs at the level of the AIFM, then a "Review Event" occurs.

In case of a Review Event, the Unitholders may elect to remove the AIFM by passing a resolution with a Special Majority (the Units of Goodman being excluded for both the quorum and majority requirements given the related party context).

Notwithstanding the above, no Review Event shall occur, either at the Goodman Group and/or AIFM level, if the proposed acquirer is a Competitor of the Goodman Group, where a Competitor is defined as a group that is also focused on the management of logistics real estate assets on a pan-European or greater scale.

Internal control and risk management systems are in place in relation to the financial reporting process. The Board of Managers of GELF Bond Issuer I S.A. generally meets on a quarterly basis to review all relevant affairs of the Company, including those related to debt covenants.
